**President's Report:**

The Ocktoberfest was a roaring success. Scott is in communication with the TIA POC to coordinate the use and maintenance of their Military Lounge for the Christmas exit and January return.

**Unfinished Business:**

Scott took up the discussion relating to ordering hats for all members. A consensus was formed and Scott was directed to order 6-8 hats for those members who do not already have one.

Bob reminded Chuck that the chapter owed him a shirt. Scott will have Chuck's and Lynda's shirts ordered with their first names and a Quartermaster emblem for Chuck.

The voting for the election of officers continued. Craig Dowdney was unanimously voted in as President. Harold Lindamood was unanimously voted in as Vice President. Scott McKenzie was appointed as Treasurer. John Curtis was appointed as secretary. Official notification will be forwarded to National HQ and the Western Region Director.

Christmas dinner discussion evolved into establishing a new chapter tradition. It was suggested and then agreed that every attendee will bring two (2) gifts, each clearly designated for either a male or for a female. Neither to cost more than \$15.00. Every attendee will draw from the appropriate gift pile.

**New Business:**

Michael volunteered his experience with the VA Claims process. The most important part with the VA is it is easiest to get their attention if you are reopening your ORIGINAL paperwork. The key is that when you first applied you hopefully entered ALL of your original ailments whether or not you claimed compensation.

(Page 2, Ft Lowell-Apache Chapter, Minutes 20241019)

Michael continued that if you are reopening your case for either additional work on your original compensated ailment OR one or more of the ailments you listed on the original claim, you should get priority servicing.
